

America's Job Center of California

Need a Job? Looking to Advance Your Career?

We
Can
Help

Empowering Individuals

Our first priority is helping people in need find sustainable employment. As one of the world's leading non-profit brands, we maintain a large network of businesses, educators, community partners and government agencies that help us match qualified talent with employers looking to hire. Last year we placed thousands of individuals in employment throughout Southern California and our specialty is preparing and placing those with the most significant disabilities and vocational challenges, including veterans, the homeless, ex-offenders, mature workers and at-risk youth.

WDACS and the Los Angeles County America's Job Centers of California are equal opportunity employers/programs. Auxiliary aids and services are available upon request to individuals with disabilities.

For more information, call 661-298-0152 ext. 31. Please contact our staff 72 hours in advance.
