

Welcome Back!

SLO / PLO Discipline Division Workshop

August 19, 2011

By Ted Younglove

Antelope Valley College

A group of people, likely a marching band or cheerleaders, are walking across a wooden suspension bridge. They are wearing red and white uniforms. The bridge is made of wood and has a railing. In the background, there is a green field and some trees.

Accreditation is Coming!

Accreditation is Coming!

ACCJC:

We (AVC and all other community colleges) need to be at 100% SLO compliance and action planning this year!

Our Timeline:

- First report to ACCJC due in April of 2012.

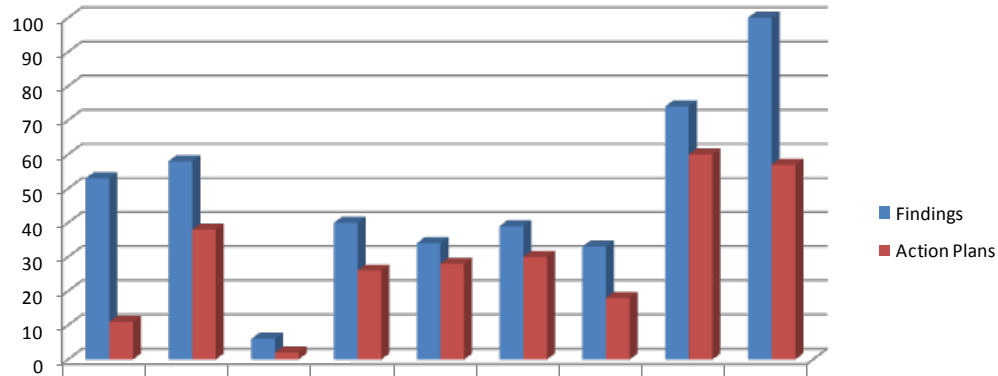

That means that the assessment and action plans from THIS FALL (2011) are what we put in the report.

- The only other report that they will see is our follow up report in fall 2012.

That means that what we have done by SPRING 2012 is it.

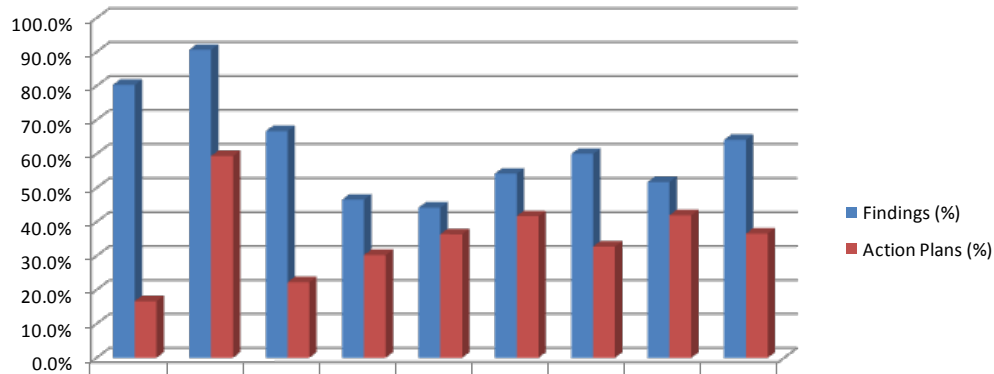

Where are we now?

Why are you here today?

We are having these workshops broken out by divisions to:

- 1. Give you a chance to work through a few of your courses (on the worksheets) as a group,**
- 2. We will help guide you through looking at results and working together on action plans.**
