

AST-Physics for Transfer Degree 23-24 Recommended Plan of Study - Counseling

All courses with a + sign indicate a pre-requisite or co-requisite

GP

Term 1 (Fall/Spring: Max. 19 units, 12-15 u. recommended)			Units	Term 3 (Fall/Spring: Max. 19 units, 12-15 u. recommended)			Units
CSU B4 MATH 150+, Calc. & Analytic Geometry	2	IGETC	5	MATH 250+, Calculus and Analytical Geometry			4
CSU GE A2 (English 101+)	1a	IGETC	3	PHYS 120+, General Physics			4
CSU GE E #NF 100 (CSU Only)			3	CSU GE A1 #COMM 101 (CSU only)	1c	IGETC	3
CSU GE D #GEOG 105	4	IGETC	3	CSU GE D #POLS 101	4	IGETC	3
LOTE 101 (UC only if needed) or elective (3) **IGETC			[5]	CSU GE C2 #PHIL 105	3H	IGETC	3
# Recommended Courses		Total	14	**IGETC LOTE #SPAN102 (UC only) req. w/out 2 yrs of H.S Foreign. Lan.		Total	17
Term 2 (Fall/Spring: Max. 19 units, 12-15 u. recommended)			Units	Term 4 (Fall/Spring: Max. 19 units, 12-15 u. recommended)			Units
MATH 160+, Calculus and Analytic Geometry			4	PHYS 211+, General Physics			5
CSU GE B1/B3 PHYS 110+, General Physics	5A/5C	IGETC	4	CSU GE B2 #BIOL 101 & Lab	5B	IGETC	4
CSU GE A3 #ENGL 103	1b	IGETC	3	CSU GE F (beg. 21-22) Ethnic Studies (beg. 23-24)	7	IGETC	3
CSU GE C1 #ART 100	3A	IGETC	3	CSU GE C1/C2 #HIST 107	3A/H	IGETC	3
Summer: Max. 15 units, 12 units recommended		Total	14	% CSU B3 & IGETC 5C must correspond with only one Science Lecture		Total	15
Transfer or Graduate							

Take Summer classes if needed to complete the program in a timely manner.

The state requires all students to have a Comprehensive Educational Plan. Make a counseling appointment as soon as enrollment is established on any term. Come by the Counseling Center or call. Online Counseling is available: <https://www.avc.edu/student-services/counseling>

Required Core Courses:	Units
*PHYS 110+, General Physics	4
PHYS 120+, General Physics	4
PHYS 211+, General Physics	5
*MATH 150+, Calculus and Analytic Geometry	5
MATH 160+, Calculus and Analytic Geometry	4
MATH 250+, Calculus and Analytic Geometry	4
Units Required for Major:	26

General Education Requirements: Complete either the CSU Breath Requirements or IGETC.

other requirements for degree

CSU GE Breath (39 min.) or IGETC (34 min.) Pattern 34-39
 CSU/IGETC Transferrable Elective Units to reach Degree Total 0

Minimum Units Required for the Degree 60

*Courses denoted with an asterisk will fulfill the completion requirements for both the major and general education.

**LOTE: Language Other than English

Policies in the back page

AST-Physics for Transfer Degree 23-24 Recommended Plan of Study - Counseling

The Associate in Science in Physics for Transfer (AS-T in Physics) degree offers students a fundamental knowledge of Physics and its relation to science, technology, and engineering. Students will enhance their problem solving and critical thinking skills by applying mathematical models to real world problems or utilizing mathematical objects and theorems to evaluate the validity of a statement or to prove mathematical statements. The Associate in Science in Physics for Transfer (AS-T in Physics) degree meets the requirements of SB 1440 for Associate Degrees for Transfer (ADT). These degrees are intended to make it easier for students to transfer to California State University campuses, but do not exclude admittance to other colleges or universities.

To earn an Associates of Science in Physics for Transfer (AS-T in Physics) degree a student must complete the following:

1. Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:

- A. *The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
- B. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.

2. Obtainment of a minimum grade point average of 2.0.

ADTs also require that students must earn a C or better in all courses required for the major or area of emphasis.

Advisory: A condition of enrollment that a student is advised, but not required, to meet before or in conjunction with enrollment in a course or educational program.

Prerequisite: A condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program. Prerequisites are enforced and a student will be blocked from enrolling or involuntarily dropped after enrolling if the student does not meet the stated prerequisite. A student must complete a course prerequisite with a satisfactory grade of A, B, C or P (pass).

Corequisite: A condition of enrollment consisting of a course that a student is required to simultaneously take in order to enroll in another course. Corequisites are enforced and a student will be blocked from enrolling if the student does not meet the stated corequisite.

Electives: The remaining number of units (up to a minimum of 60) are considered electives. Any course that has already been counted toward (1) the general education requirements, or (2) the major, cannot be used as an elective. Any course with a designation of "CSU" at the end of a course description can be used as an elective for a CSU transfer and a "UC" designation for a UC school.

Grade Point Average Requirement: An overall grade point average of 2.0 ("C" average) is required.

Double Counting: While a course might satisfy more than one general education requirement, it may not be counted more than once for these purposes. A course may be used to satisfy both a general education requirement and a major or area of emphasis requirement.

Residency: Minimum of 12 units completed at AVC with a minimum of 9 of those units completed from the certificate/major. (credit earned by examination will not be included in these 12 units) Title 5, Section 54000: <http://ccr.oal.ca.gov>.

Requirements for Two or More Associate Degrees: To be eligible for multiple associate degrees, a student must have completed all of the graduation requirements for each degree.

Transfer: Students planning to continue studies at a four-year college or university after AVC should visit the Transfer Resource Center or the Counseling Center and consult with a counselor as soon as possible to develop a plan of studies. Additional preparation for the major information on official transfer articulation agreements from AVC to many CSU/UC campuses can be found at the following Web site: www.assist.org

The "Catalog Rights Policy" sets forth the criteria used for determining the degree requirements under which students may graduate. Please refer to the AVC Catalog for a detailed description or consult with a counselor.
