There was none.

III. DISCUSSION ITEMS

Anthropology inquired about the “Cottage Industry Law” and Dr. Z explained there has yet to be a response to her own inquiries on the subject.

IV. ACTION ITEMS

4.1 Club Activations

- None

4.2 Club Events

- AV Soccer Club wanted to have a Soccer training event, but it was a tabled motion because the wording on their constitution only allows for there to be “talking” of soccer in their club, not the actual “playing” of soccer. It was suggested they think about changing the wording in their constitution.

V. SPECIAL ITEMS

5.1 Club Rush Week

ICC members were reminded that Club Rush is on the 11th and 12th of February from 11AM to 2 PM in the Library Plaza and from 4 to 6 PM in the Subway area inside Health Science. They discussed the idea of getting stamps for the “opportunity drawing,” but with the short notice it was decided against doing so at the present.

Also, it was discussed that there would be advertising for the ASO Cosmic Bowling event and how the costs for the event are only refundable if the student has an ASO sticker already.

5.2 Mulligans

After a great deal of discussion concerning costs, dates, and planning—this event was cancelled.

5.3 Club Competition Guidelines

Possibilities moved to approve the following guidelines for the Club Competitions:

There are 3 competitions you can enter:

- 1) *The Greatest Membership Recruitment competition! The club who recruits the most new members by Friday, March 28 is the winner.*
- 2) *The Most Events Held competition! Have the most events to increase student involvement and participation for the Spring Semester 2014.*
